

John Jenkins, IAAI-CFI | Senior Fire Investigator

1800 10th Street, #300, Plano, TX, 75074

Cell Phone: 479.790.3753
john.jenkins@efiglobal.com

Professional Summary:

Mr. Jenkins has personally investigated over 6,000 fires and explosions of vehicles, residence, and commercial buildings and equipment. Mr. Jenkins has also investigated numerous fire losses involving single and multiple fatalities, product liability and subrogation. His expertise in mechanical, electrical and construction is a proven asset on fire scenes, and he continually strives to stay up to date on any new laws or regulations regarding fire investigations. He has excellent working relationships with Federal, State and Local authorities and has assisted several agencies with the testing of products and live burns as associated with the investigation of fires.

Areas of Expertise:

- Fire Investigations-Origin and Causation
- Explosion Investigations
- Fire Investigations-Fatalities
- Fire Investigations-Vehicles, Equipment
