

Aaron M. Babb, CFEI | Fire Investigator

1307 Henderson St, Bridgeport, TX, 76426

214.662-5212

aaron.babb@efiglobal.com

Professional Summary:

Mr. Babb began his career as a fire investigator in 2006, and has investigated fires in vehicles, heavy equipment, and residential and commercial properties. Mr. Babb has specialized training in several disciplines of the fire services, to include suppression, rescue operations, hazardous materials response, airport firefighting response, and fire investigation. While a member of the US Army Reserves, he was assigned the duties of Lead Firefighter and led the fire suppression team attached to the 660th Ordinance Company for four years. In 2015, he returned to the private sector full time by starting his own company performing fire investigations, and joined the EFI Global team in early 2018.

Mr. Babb has received training from the Department of Defense Firefighter training program. He has received training from the National Association of Fire Investigators and is certified as a Certified Fire and Explosions Investigator, and he has also received training from the International Association of Arson Investigators and is currently seeking certification as a Certified Fire Investigator
