### Project Experience:

#### **Confident, Gwinnett, GA.**

#### **Vehicle Theft**

Determine BMW vehicle theft with just the readable Key Fobs

**Confident, Charleston, SC.**

**Vehicle Fire / Structure**

The vehicle was brought to the dealer for service. The vehicle was partially disassembled. The fire was determined as improper disassembly which caused the battery cable wire harness to short causing the fire.

**Confident, Atlanta, GA.**

**Mechanical Failure**

The vehicle was involved in a collision. The Bosch Crash Data Recorder was used to determine that the accelerator instead of the brakes was applied causing the collision.

**Court Qualifications/ Depositions:**
