

Heather Herbold | Fire Investigator, NAFI-CFEI, IAAI-FIT, ECT

2055 W. Army Trail Road, Suite 106, Addison, IL, 60101
Field Office, St. Louis, MO.

Cell Phone: 314-706-1332
heather.herbold@efiglobal.com

Professional Summary:

Ms. Herbold has an extensive background in the Fire and Emergency services. She joined the fire service in 1999, holding positions of Paramedic, Firefighter, and Swiftwater Rescue Instructor. She was responsible for fire suppression, and fire prevention, as well as medical emergencies of any kind. She holds the certifications of Missouri State licensed Paramedic, Firefighter I & II, Fire Officer I & II, HazMat Operations Level, and Fire Department Driver/Operator. She has earned an Associate of Applied Science in Paramedicine (Cum Laude), and a Bachelor of Science in Fire, Arson & Explosion Investigations (Summa Cum Laude) from Eastern Kentucky University in 2023.

Ms. Herbold is a Certified Fire and Explosion Investigator through the National Association of Fire Investigators, Fire Investigation, and Evidence Collection Technician through the International Association of Arson Investigators and meets the National Fire Protection Agency – *Standard for Professional Qualifications for Fire Investigators* (NFPA 1033). She has extensive experience in conducting thorough and accurate investigations to determine origin, cause, and responsibility for fires and explosions. She has managed subrogation and liability claims independently and as part of joint exam teams for residential, commercial, industrial, and automotive equipment. She possesses a strong understanding of the scientific methodology, fire science, fire dynamics, and forensic analysis techniques. Her expertise includes, analyzing fire patterns, fire dynamics, collecting and preserving evidence, interviewing witnesses, and preparing detailed reports. She is also well versed in local, state, and federal laws and regulations related to fire investigations. Ms. Herbold is skilled in working with local and state law enforcement agencies, fire departments, insurance companies, and legal professionals to ensure that investigations are conducted thoroughly and efficiently. She is dedicated, detail oriented, and committed to using her skills to deliver high quality results.

Licenses and Certifications:

Certified Fire and Explosion Investigator, National Association of Fire Investigators, Certificate #26556-15966

Certified Fire Investigation Technician, International Association of Arson Investigators, Certificate #1410269

Certified Evidence Collection Technician, International Association of Arson Investigators, Certificate #1015

Certified Fire Investigator, State of Missouri #7MO-007473

Certified State of Missouri Firefighter I & II

Certified State of Missouri Fire Officer I & II

Certified State of Missouri Fire Service Driver/Operator/Pumper
Certified State of Missouri Hazardous Materials, Operations Level
Licensed Paramedic, State of Missouri, License #P11481
Licensed Private Fire Investigator, State of Missouri, License #2023040325
Licensed Private Fire Investigator, State of Illinois, PERC #129.489331
Licensed Private Investigator, State of Iowa, License #155634

Professional Experience:

EFI Global, Fire Investigator, Chicago Service Center, 2023-Present
SSM St. Mary's Health Center, ED Paramedic, St. Louis, MO, 2022-2023
PyrTech, Inc., Fire Investigation-Internship, Collinsville, IL, 2022-2023
Valley Park Fire Protection District, Firefighter/Paramedic, Valley Park, MO, 2018-2022
Metro North Fire Protection District, Firefighter/Paramedic, St. Louis, MO, 2017-2018
Mehlville Fire Protection District, Firefighter/Paramedic, St. Louis, MO, 1999-2017
Christian Hospital, Paramedic, St. Louis, MO, 1991-1999

Education:

Bachelor of Science, Fire, Arson, and Explosion Investigation, Eastern Kentucky University, Richmond, KY, 2023

- Course work included investigative best practices, origin and cause determination, utilizing the scientific method, fire behavior, fire chemistry, fire dynamics, explosion dynamics, electrical systems, failure analysis, documentation, evidence collection procedure, criminal and civil process, building construction and codes, NFPA 921, NFPA 1033.

Associate in applied science, Paramedic Technology, St. Louis Community College, St. Louis, MO, 2021

George Mason University, Fairfax, VA, 1988-1991, Biology / Chemistry course work

Missouri State University, Springfield, MO, 1986-1988, General studies

Specialized Continuing Education:

Basic Electricity, CFI Trainer, 4 hrs., 06/04/2023
Charting Your Career Path In Fire Investigation, CFI Trainer, 3hrs. 7/11/2022
Discovery in Civil Cases, CFI Trainer, 3 hrs. 06/26/2022
